

# DIY Hygiene Kit for Students

You will need:

Drawstring backpack

Kids 3 in 1 shampoo/conditioner/body wash

OR

Kids 2 in 1 shampoo/conditioner AND

Kids body wash

Kids toothpaste

Kids toothbrush

Towel

Washcloth

Chapstick

Comb

We have found most of the items at Walmart or on Amazon.

\* \* Before you begin assembling the kits, tape the top of each bottle with packing tape to prevent leaks, and wash the towels and washcloths \* \*

Fill each drawstring backpack with one 3 in 1 shampoo/conditioner/body wash OR one Kids 2 in 1 shampoo/conditioner AND kids body wash and then one of each other item.

Donate the assembled hygiene kits for students to the church, and we will get them to HISD!

See next page for sample pictures of the items.
