

**CREEKSIDE'S
ALL CHURCH CAMPAIGN
WINNING
THE WAR**

**IN YOUR
MIND**

SERIES & SMALL GROUPS

LOVE GOD, LOVE PEOPLE

WELCOME TO CREEKSIDE!

This morning, take a breath. You made it to church, and that matters. In a week full of noise, notifications, and nonstop schedules, you chose to step into a place where God speaks peace, truth, and hope. We are so glad you are here at Creekside Church.

Whether this is your first time or your home church every week, you are welcome and you are wanted.

Today we are launching our new all-church campaign series, ***Winning the War in Your Mind***. Because for so many of us, the biggest battles are not just happening around us, they are happening within us. Thoughts of worry, criticism, fear, and discouragement can become familiar, even normal. But God never intended you to live trapped in your mind. He wants to renew your thinking and reshape your life.

A quick personal note. There have been nights I have replayed a conversation in my head long after it ended, running through what I said, what I should have said, what someone might have meant. I have learned that when I bring those thoughts to Jesus and anchor them in truth, peace begins to return. That is what this campaign is about, practical tools and biblical truth that lead to real freedom.

Over the next four weeks we will walk through four simple, powerful themes:

Week 1: **Capture the Thought**

Week 2: **Take Back Control**

Week 3: **Change the Frame**

Week 4: **Choose Peace**

And here is the key. Weekend messages inspire, but small groups help us practice. In a group you will build friendships, grow in Scripture, pray with others, and develop habits that strengthen your mind and your faith.

To get the most out of this journey, we encourage everyone to purchase the **Winning the War in Your Mind Participant's Workbook**. It will guide your weekly small group conversations and help you put the message into practice.

You can also pick up the optional hardback book, **Winning the War in Your Mind**, for deeper personal study.

Stop by **Guest Services** today to sign up for a group and to purchase your workbook or book. We will help you find the right fit.

Thank you for worshiping with us today. Let's believe God for transformation together.
