A NOTE FROM PASTOR GEORGE

WELCOME TO EASTER WITH CREEKSIDE!

Maybe you've asked, "Why does Easter matter so much?" It's more than a tradition we observe or a date on the calendar. Easter is the celebration of the most defining moment in history, **the Resurrection of Jesus Christ.**

The Resurrection matters because it puts God's power on full display. The One who created life is the only One who can restore it. And that's exactly what He did, raising Jesus from the grave and proving that death does not have the final say. Scripture declares:

"Death is swallowed up in victory... Thank God! He gives us victory over sin and death through our Lord Jesus Christ." (1 Corinthians 15:54-55)

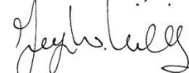

Easter also distinguishes Christianity from every other belief system. Our faith is not centered on a teacher who lived and died, but on a Savior who rose again and is alive today. Jesus didn't just overcome the grave, He offers that same victory to us. When you place your faith in Him, you receive eternal life and a new life that begins right now.

Today, we have the privilege of celebrating one of the most powerful steps of faith, baptism. It's a public expression of a personal commitment to follow Jesus, a picture of leaving the old life behind and stepping into new life in Him. It's more than a moment, it's meaningful, it's joyful, and it's an act of obedience to Christ (Mark 1:9; Matthew 28:19-20). So lean in, celebrate loudly, and cheer as we witness lives being transformed!

Thank you for being here today and sharing in this celebration. Whether you're new to Creekside or this is home for you, we're grateful to worship together and celebrate the hope we have in Jesus.

Jesus is alive. Hope is alive. Because of Easter, we can live with purpose now and forever.

He is Risen, **He is Risen Indeed!**
