

## Small Group 2021 Fall Session

### **A LIFE OF PURPOSE**

*“Show me, LORD, my life’s end and the number of my days; let me know how fleeting my life is.”  
Psalm 39:4*

*“So then, each of us will give an account of ourselves to God.”  
Romans 14:12*

In the Book of Psalms, King David asks God to reveal the number of his remaining days that he might know how fleeting his life is. While this request might seem a bit peculiar, King David understood the great benefit in measuring out and evaluating his life as a finite number of days. This perspective is often neglected in our busy schedule as we focus on building careers, taking vacations, paying bills, and raising families...until we run out of days. While none of these endeavors are inherently wrong or sinful, the Bible clearly calls us to examine ourselves and live a life of purpose. This introspective six-week small group study will take a critical look at how we came to be the person we are and what a life of meaning and significance could look like as we fulfill God’s purpose for our lives.
