

# FOR THIS REASON

*MARRIAGE AND  
SEXUALITY ARE  
GOD'S IDEA.*

## INTRODUCTION

It's trendy these days to think that men and women are basically the same kind of people inside, and that marriage is whatever we want it to be, however we want to define it. That's why we need to go back to Scripture. There we discover where male and female originated, and we see where marriage came from in the beginning.

Use the blank lines below the discussion questions to record your initial thoughts, questions, and whatever God might be saying to you through the video, so you can review and reflect on all of this later.
