

Dear PCF Family,

This is a great week as God continues to reveal that He has answered prayer regarding **Project Forward**. The easement documents are being reviewed and action is being taken. Please pray as we are close to a resolution in the form of a signed and recorded easement.

Our **Christmas Fellowship Dinner** is this Saturday beginning at 5:30. We will enjoy an excellent meal together followed by Christmas worship in the sanctuary. All of this happens at Grace Fellowship. Each family is encouraged to **bring a dessert**. It would be great to see at least a great turn out of our congregation along with family and friends. May God direct your path this week to those who are hungry and waiting. May we be ready to receive them in Christ and His Kingdom.

Pastor James Wright has requested prayer for his wife, **Virginia**. She is undergoing surgery today at one. The need is very serious.

Remember to pray for one another. There are those hurting this season. Some needs cannot be mentioned but the Holy Spirit can help us know how to pray and show love.

Be encouraged.

Pastor Jerry
