Dear Church,

I'm writing to request prayer for a few in our congregation.

- Pastor Jerry continues to deal with sickness that began last week.
- Sam Woodford spent Sunday night in the ER and has been back in AFIB.
- Harry Green has been dealing with low blood sugar causing him to feel very ill.

Please pray for these needs as well as others in our church body that have been sick or are dealing with ongoing illness. I certainly don't mean to leave anyone out. Let's lift one another in prayer!

Thank you,

Pastor Taylor
