

January 8, 2020

Hello PCF Family,

I want to thank you for praying, especially for those who are experiencing sickness at this time.

In addition to those Taylor mentioned earlier, please be praying for Ezra. He fell today and broke his left clavicle. He will have to wear a sling and be careful for about four weeks.

We will not have House Church tonight. Taylor will need to be at home and I am still recovering as well.

Thank you for praying.

Pastor Jerry
