Parents,

Today we learned in our Bible story that God made us to be kind to each other. We reviewed our amazing Bible story in class by putting puzzles together of a heart and a happy face. These puzzles reminded us that God wants us to love and be kind to our friends! Attached to this note, you will find smaller versions of our puzzles. Your child can do these puzzles at home with you and tell you all about what they have learned. We are all wonderfully made by God!

Thank you so much for sharing your precious child with us!
