

In this world

(hand over head and bring down in front of you to make circle like world)

you will have trouble.

(make sad, concerned face; or wag finger)

But be encouraged!

(hold up finger like you have an idea and make happy or surprised face)

I have won

(show/flex muscles)

the battle

(pretend to fight)

over the world.

(use arms to make a big circle)

John 16:33b (NIRV)

What to Do:

Make two copies and cut apart. Provide two sets for each small group.

That's What That Means
