Recipe for:

Charoseth

Ingredients:

- 1 cup finely chopped apples*
- ½ cup finely chopped walnuts*
- 2 teaspoons cinnamon
- Grape juice
- Sugar

Mix apples, nuts, and cinnamon together. Add enough juice to moisten the mixture and make it sticky. If desired, sweeten with sugar to taste.

*** Caution:** Peel the apples first. Apple peel can be a choking hazard. Also, although traditional charoseth recipes call for the nuts, you may wish to omit them as many children are allergic to walnuts and other nuts.

Make a place card for each child and one for yourself by folding a piece of cardstock in half lengthwise. Use a black marker to print each child's first name on the front of the cardstock in clear, large letters. Form the letters with dashed lines instead of solid lines so kids can trace over the letters. For 5-year-olds and other beginning writers, you may wish to fold the paper in half and let the kids write their names for themselves.
