

1. Make a hole in the middle of the spinner so a brad can fit through.
2. Fold the brad so it is sticking up from the paper about half an inch.
3. Tape the back of the brad to the back of the spinner to secure it.
4. Slip a paper clip over the brad.
5. Start spinning!

What to Do:

Print one on heavy cardstock for each group.

Origami

INSTRUCTIONS:

1. Cut out the Origami and color the page.
2. Flip the square over so the text is facing the floor. Fold each corner towards the center so the four corners are touching with the colors and numbers are facing you.
3. Turn it over and fold each corner towards the center so they are touching and the colors are facing you.
4. Now, fold the square in half so the colors are touching. Then open it and fold it in half the other way. Do this a few times.
5. Insert your thumb and first finger of each hand under the number flaps.

What to Do:
Print one for each kid.
