

← Online Giving →

In this digital age when people are increasingly paying bills and conducting business online, we have made online giving available for your tithes and offerings. Online giving involves the use of either your credit card, debit card, or an electronic fund transfer (EFT) from your bank account. Feel free to make a one-time donation or set up recurring giving.

Online giving is easy, it's convenient, and it's safe!

1. *What is Online Giving?*

Online Giving is a direct payment program whereby your contribution is debited automatically from your checking, savings, or credit card account into your church's bank account. Please note: Poplar Ridge will not have access to any of your account numbers or banking information.

2. *What are the advantages of Online Giving?*

It makes it easy to fulfill stewardship commitments, even when you can't attend church. You never have to bring cash or checks with you to church.

3. *How are my contributions automatically deducted from my account?*

Once you complete the online form, the contribution amount you specify will automatically be transferred from your bank account to the church's bank account through the secure service "BluePay" (similar to Pay Pal).

4. *How do I sign up for Online Giving?*

Go to prfriends.org and complete the online form. Then select the donations and the amount you would like to donate along with your preferred payment method. *It's that easy!* After your first donation, you can set up an optional account to make future transactions quicker. You can change or delete your account at any time.

5. *Is my online contribution still tax-deductible?*

Yes, your online giving is tax-deductible and you will receive an end-of-year giving statement.
