## Called to Guatemala!

The Williamson's, Richie, Bridgett, Grayson & JoGina of Kinston, NC and 902 Church are called to the nation of Guatemala to serve as full-time missionaries. The Lord spoke to our hearts clearly about our next marching orders. Although our hearts are knitted closely to 902 Church and Eastern North Carolina, we must heed the call and fulfill The Great Commission for His people and land Guatemala. As Pastor Ryan spoke, "This is not a separation, but an extension." We are so proud to be part of a sending church full of prayer warriors, worshippers, encouragers and supporters. It truly is an honor to have 902 as our home base and our sending church.

We will partner with Living Water International Adopt-A-Child (LWI) under the leadership of Directors Steve and Ana McDaniel (pictured with us above). LWI is "Changing the world one child at a time". The established ministry of over 30 years has 7 churches, several feeding programs providing nourishment to over 10,000 children, and 3 medical/dental clinics. Our headquarters will be in Antigua, Guatemala and we will be part of Iglesia Libertad (Liberty Church) in Jocotenango, Guatemala.

Some of what we will be doing after settling in Antigua will be: attending Spanish school (Lord!!! Will you please just insert an Espanol SD card directly in my arm!!!) Enrolling the children in school specifically designed for children of missionaries, serving in the Jocotenango church under the direction of Worship Leader, Martin Chom, assisting with incoming mission teams, home visits and evangelism, working in an administrative role with translations, serving in the feeding programs, helping with medical campaigns, and sitting under some great mothers and fathers in the faith gleaning from their wisdom.

Jesus loves Guatemala! And we want to love her with Him! We commit to stop for the one, be His hands and feet, and disciple this nation with grace, love and integrity. We declare we shall walk in The Great Commission and teach them everything He has commanded, knowing He is with us always, even to the end of the age.

Church, will you partner with us in prayer and support? When you partner with us, you make the vision God has given us a reality and send the gospel truth to the ends of the earth.

Bridgett with her sponsored child, Melany! Bridgett has been Melany's Madrina (godmother) for over a year now. Melany lives in the mountains of Quiche with her parents, grandparents, 2 sisters, 4 dogs, 2 cats and a few turkeys. Melany's entire family accepted Jesus while we were there on a home visit sharing the gospel and delivering provisions.
