

ST. JAMES EPISCOPAL CHURCH
405 EAST MAIN STREET
BATAVIA, NEW YORK
NEWSLETTER – MAY 2019

Dear Friends,

Spring is on its way. It comes in fits and starts, sunshine followed by cold rain, but we know spring is on its way. Spring is a season of growth and optimism. We live in Easter Joy and are renewed by the Spirit every day. In this season of renewal, opportunities abound to share God's work and love. What's happening at St. James? A whole bunch!

- Our **Day of Caring** is May 16th. Come, wear your old clothes, bring some garden tools and help bring our gardens to springtime glory.
- The **Healthy Congregations Workshop**, sponsored by the Genesee Deanery, will be at St. James on May 10th and 11th. Come, learn about how we together can work to continually renew, refresh and strengthen St. James.
- **Alzheimer's Respite Care**, training is in progress, opportunities to help abound. Talk to Deacon Diana or Diane Cox about this wonderful new outreach program.
- **Connections** is a group of people across Batavia from different churches who love to come together and find ways to help our community. Talk to Mother Bonnie and join in the work and fellowship!

Easter and springtime alike are about looking forward with joy and expectation. With Easter joy we are called to go out and do God's work in the world. Opportunities abound! Come, seek and find your place, your unique way to share the light of Christ with the World!

Your sister in Christ,
Mother Bonnie+

DIAKONIA MUSINGS

"Do you have questions about your faith? Most people do and they find it challenging to get answers. **Education for Ministry (EFM)** was developed by the School of Theology in Sewanee, Tennessee, to provide a mechanism for people to work through those questions. This four year course of study is led by a mentor who provides the framework for the group to connect faith to their daily lives through reading and discussion.

Meeting once a week in small groups, students learn to think theologically, faithfully, and speak civilly when confronted by beliefs and principles in opposition to their own. And that's something we can all appreciate in today's world.

By being an EFM participant, you will learn how to articulate your faith. You will learn how to shape your faith into action. You will become involved in ministries in your community, and you will make a difference.

In this four year program, participants read The Hebrew scriptures (OT) in year one, New Testament in year two, Christian History in year three, and Christian ethics and practice in year four. All years share and work together in class with the common threads that tie the lessons together. There are also two interlude books that everyone reads and discusses.

If you are interested in joining our Batavia EFM group, please see Deacon Diana, or better yet, ask Phyllis Draycott, Barb Pierce, Diane Cox, Terry McGuire, Shalayne Wilson, or Cathy Judkins about the course. We have room for a few more next September and would love to tell you about it.

Monday, June 10, St. James will host its first **RESPIRE CARE** program from 10:30-2:30. We will be offering the care-givers of loved ones with memory loss a brief time to themselves. This is the first date of a monthly program that will always be held on the second Monday of the month.

Volunteers will work one on one with our "guests" as they engage in socializing activities like bingo, crafts, singing, exercise and eating lunch. All volunteers must be trained by the Alzheimer's Association and are trained in Safe Church through the diocese for insurance purposes. For those who have not been trained yet, there is a training session at St. James on Tuesday, May 7 from 6-9pm. Even if you do not want to commit to volunteering at the moment, you might benefit from the training if you have someone in the family that is suffering from dementia. The more we know about the disease, the more we can help those who are living with memory loss.

Logistically, if we service 6 "guests", we will need 6 one-on-one volunteers, two cooks, one greeter/registrar, a floater, and 2-4 people to run the activities. That means that each month, we should have 12-14 people willing to help out. If we have more than 14 people trained, it means volunteers can take vacations, miss if they are sick, etc. without us having to tell care-givers that they can't bring their loved one that month because we don't have enough volunteers.

The Alzheimer's Association grants us money to start up the program. In order to make the money last and to spend wisely, we will need a few donations. It is recommended that all Guests earn prizes when they play Bingo so we will be needing: candy bars, single bags of snacks, samples of lotion, costume jewelry, magazines or adult books with pictures of birds, animals, wildlife, cars, etc. Ask Diane Cox or Diana Leiker for more information.

If you are looking for a ministry that will bless you while you bless others, this may be what you are looking for. Please, prayerfully consider attending the training this week. If you can't make that one, we can find another offering somewhere else. See Diane Cox or Diana Leiker for more information or to sign up.

Senior Warden's Report

As I write this, spring has arrived - for the fourth or fifth time. Hopefully the next time is the charm. Seriously, as the seasons change and we now are into the Easter season, soon to be followed by Pentecost, I feel we all must turn to being thankful. I know that is something we kind of center on late November. We, myself included, must always be aware of those around us who deserve our thanks and gratitude - regardless of the date on the calendar.

In order to fulfill this goal, with Mother Bonnie's OK, we will be installing in the near future a "Thank You" bulletin board in the back of the Nave. The purpose of this board will be for any member of St. James to post a thank you message to any other member or members for all the congregation to read. You can be identified or remain anonymous. And yes I know you could post these on Facebook or our website, but my late mother always said there is no substitute for a written thank you.

In this spirit I would like to get the ball rolling (even if it is in this report and not on an official public posting). So here are mine:

To Russ Dvoroznak for all the work he does around St. James that neither I nor others have the skills to do.

To Barb King for always knowing everything about St. James that I will never know when I need it. She never ceases to amaze.

To Larry Belluscio, Pete Mark and Keith Price for counting the offerings every Sunday. I have done it several times and I still don't get how they do it.

To Wayne "The Codfather" Judkins and all who put another wildly successful Lenten fish fry season- another thing I don't know how they do it.

To Dave Lange, Jolene Folger and Barb Pierce for again volunteering to perform our audit of church accounts.

To Diane Cox and Deacon Diana for launching our caregivers respite program.

To Dawn Mark for leading our bell choir and for all who participate.

To Director Dillon Hirsch and our choir for all the beautiful music we get to hear on Sundays. Also, Dave Lange (again) for the beautiful organ music.

To all who put together coffee hour each Sunday.

And lastly, to our Rector, Mother Bonnie for her inspirational and insightful Our Faith discussions after most Sunday services.

This list took me but a few minutes to compile. Start yours now and hopefully you will have a place to post it shortly.

Thanks, Jim Neider

Vestry Highlights April 16, 2019

- **Treasurer's Report:** Money is going into Adopt-a-Project.
- **Bricks and Mortar:** New campaign will start soon. They would like to start the drive this spring. There is currently \$15,774.00. in the Fund. \$7,500 has been allocated to masonry repairs.
- **Maintenance Report:** Russ Dvoroznak reported on a leak in the upstairs Rectory bathroom. The pipes are quite rusted. Russ suggested taking a "wait and see" approach rather than undertake a full renovation of the plumbing at this time.
- **Property Committee:** Rectory Stucco Repairs: contractor needs his own liability insurance. Because of the cost differential, the property committee recommended white windows with brown trim.
- **Healthy Congregations:** Mother Bonnie urged vestry members to attend this conference.
Catherine Judkins, Clerk of the Vestry

Property Committee Report

Spring arrived on March 20, 2019, technically speaking, and with it comes the anticipated return of our contractors who will be completing the exterior painting of the Parish Hall/office complex portion of the building and the re-coating of the flat roof over the Guild room and kitchen.

The Vestry has authorized additional 2019 work, as follows:

- 1) Seal perimeter south stained glass window and re-nail loose shingles above organ console, in the church
- 2) Spot stucco repair, rectory south and east sides
- 3) Replacement of a bedroom window, +-rectory
- 4) Masonry repair, church

Projects 1, 2 and 4 are consistent with priorities identified in St. James 12-Year Capital Improvement Plan. The bedroom window is a safety concern and was added when it became necessary to nail it closed to prevent it from falling to the ground.

The condition of the stucco exterior of the rectory has deteriorated to a point where it may not be economically feasible to repair in-kind. As such, we are in the process of having it evaluated and a repair cost estimate prepared. Alternative siding treatments and associated costs will be evaluated by the Property Committee before a recommendation as to how to proceed is made, and the final decision is made by the Vestry.

2019 projects not previously funded by the Vestry will be funded by Bricks and Mortar contributions, consistent with Finance Team guidance.

Many thanks to all those who continue to financially support this work.

Dave Lange

Fish Fry Thank-you and Summary

I wish to thank everyone who helped make the 2019 Lenten fish fry meals a success. I do not know the exact number of people who have worked, but this effort requires a lot of people to work together to make things run smoothly. Just to give you some idea of the work involved we had people doing these jobs:

- Baking (beginning last fall to make desserts)
- Advertising
- Table setting
- Cashier and order-taking
- Working the steam table
- Frying (fish and French fries)
- Preparing fish for baking
- Waiting on tables

- Bussing
- Making coffee and stocking water and soda
- Dishwashing
- Plating and packaging desserts
- Taking telephone orders for deliveries
- Saturday morning clean-up of fryers
- Purchasing of supplies
- Donating baking supplies
- Packaging of condiments (applesauce, sour cream and tartar sauce)
- Counting Money
- Running (bringing Take-out orders to kitchen and prepared meals back to the choir room)
- Delivering orders to seniors and shut-ins
- Cleaning fish
- Preparing coleslaw
- Making batter for the fried fish
- Washing and ironing of tablecloths
- Paying bills
- Recruiting workers

I am sure I have missed someone, and for that I apologize. Through our efforts we served approximately 2,216 fish, 81 macaroni and cheese dinners, and 1,099 desserts. In addition, we delivered 394 meals to seniors and shut-ins and collected \$1,525.20 for various charities.

Again, thanks for all who helped!
Wayne Judkins

Fish Fry Dessert Thank You

I want to thank everyone for their donations for the desserts for the fish fry season. A huge thank you to all the bakers and those that worked each Thursday, so we could service those amazing desserts each Friday. Thank you all very much.

Sue Best

Thank You from Mother Bonnie

Thank you to everyone who participated in, planned for, arranged, performed, cleaned, practiced, persevered, worshiped, prayed, drove, provided rides, sang, played and was simply present for Holy Week and Easter. It was indeed a blessed time, from Palm Sunday through our jubilant celebration of the Resurrection on Easter Morning. St. James is blessed with a joyful spirit that pervades all we do. Thank you all! Mother Bonnie+

You might have noticed that there was one very important person left off of Wayne's list of Thank you's for the Fish Fry. So I'll say

Thank you Wayne Judkins, our beloved Cod Father!

Our 25th annual fish fry season was eventful, full of long hours of hard work and many helping hands and loving hearts. It was also extremely successful. Thank you to Wayne and everyone who worked so hard to make it an outstanding success.

Thank you to Dorian Ely and the Fundraising Team for all of the hard work in planning the Basket Raffle and Tea. It had to be postponed, but still the Fundraising Team had put in many hours of hard work and planning for this event. I hope that we will be able to reschedule this event. Thank you Dorian!

Thank you to Dawn Mark for leading our bell choir. It is fun, challenging, rewarding and filled with fellowship and learning. Thank you Dawn!

Paper Recycle Bin

The green and yellow recycle bin that has been in the east parking lot has been relocated. It is now in the north parking lot behind the church. We would like to encourage you to continue bring in your discarded, recyclable paper. The church does receive a payment for the paper collected, based on weight. A simple way to help.

Adopt a Project—Spruce up our Nursery!

We have exciting plans for our nursery. With our multitude of blessings at St. James with our new babies and another on the way, it's time to spruce up our nursery. Would you be willing to help defray the cost of paint? How about sewing some new curtains? Help scrub and clean?

The plan for the Nursery is to use the front half of the room for a toddler/baby playing area and the back of the room for a meeting space. This will be ideal for both Sunday use as a nursery, and a pleasant meeting space during the week. It would be perfect for a "mom and tot" meeting/play space.

One parishioner has already offering time and talent to paint the nursery, and has commissioned a beautiful mural of the one of the walls. Can you help?

Utility Costs for the Month of April

If you are the last one out of the building, please make sure the windows are shut, the lights are out and the door is locked behind you. If you have any questions at all on how to do this, please contact a warden.

Fuel - \$2337.67

Electric - \$267.86

Don't Forget Scrip!

Whether for gifts or the shopping that you regularly do, please think about purchasing Scrip Cards from St. James. We receive a percentage of each card sold; you pay and receive the face value of the card. Easy and Win-Win!

Cookies for the Freezer

We are once again reaching out to the parish to bring in cookies for the freezer. The supply that has been available in the parish freezer is gone. The supply was so appreciated as they were needed frequently for coffee hours. Home baked, store bought – cookies, sweet breads, coffee cakes, whatever can be wrapped and used at the coffee hours would be great!

Rhubarb-Raspberry Jam

EASY

Eager for a taste of springtime fruit? Use frozen rhubarb and raspberries to make this refrigerator or freezer jam. (Pictured on page 187.)

- 6 cups fresh or frozen unsweetened sliced rhubarb**
- 4 cups sugar**
- 2 cups raspberries or one 12-ounce package frozen loose-pack raspberries**
- 1 3-ounce package raspberry-flavored gelatin**

In a large kettle or Dutch oven combine rhubarb and sugar. Let stand 15 to 20 minutes or till sugar is moistened. Bring to boiling. Boil, uncovered, for 10 minutes, stirring frequently.

Add raspberries; return to boiling. Boil hard for 5 to 6 minutes or till thick, stirring frequently. Remove from heat. Add gelatin; stir till dissolved.

Ladle into half-pint jars or freezer containers, leaving a ½-inch headspace. Seal; label. Let stand at room temperature several hours or till jam is set. Store up to 3 weeks in the refrigerator or 1 year in the freezer. Makes about 5 half-pints (eighty 1-tablespoon servings).

May 17 – 18, 2019, 7 pm Friday through 3 pm Saturday

**St. James Episcopal Church, Batavia
405 East Main St., Batavia 14020**

The underlying premise of the program is that we are all on a spiritual journey and that in all journeys there are choices, bumps, smooth passages, dead ends and unexpected surprises. Particularly for junior high youth the important lesson is that in God's economy nothing is wasted, it's important to try many different ways to experience the presence of God and from those experiences to follow the path that seems the right one for you.

The core of the retreat is the Saturday morning and afternoon sessions. There are six different activities, the young people choose in which order they wish to attend those activity sessions. At each session they will receive a charm or bead to add to a bracelet at the end of the weekend they will have all six. The six sessions have themes, but the exact activity will be planned by one or more members of the leadership team. The leadership team will be a combination of high school aged youth and adults. Journeys is held at churches around the Diocese.

The cost of the weekend is \$25 (Scholarships are available for financial need.)

The expectations of participants are:

- * Come with an open mind and a willingness to try new things
- * Join in all the activities of the weekend
- * Let an adult know if you are having any kind of problem
- * Be present for the entire weekend from Friday at 7:00 p.m. through Saturday afternoon at 3:00 p.m.
- * Abide by the community norms for the weekend

You will need to bring with you to the weekend:

- * Sleeping bag & pillow •
- * Toiletries •
- * Changes of clothes •
- * Towel, washcloth & soap •
- * One bag of snacks (pretzels, chips etc.) to share
