

*If My people who are called by My name humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, will forgive their sin and will heal their land.  
2 Chronicles 7:14*

I am hearing a great excitement from many people about the launching of our FIRST Touch teams. Sunday School departments have been contacting us about training for their team and are ready to get started. I am ready, too! Let your Bible study teachers and directors know that you want to be part of the FIRST Touch team from your department. Many of us are praying for revival and I believe that our willingness and diligence to be trained and to go as witnesses is an important part of authentic revival for First Baptist Church.

We know that our obedience in serving is only part of preparing for revival. Another important aspect is our personal relationship with God. Doing and being must go together. To help us to seek God together, a 40 day devotional guide, *God So Loved You*, will be provided for each person who will accept the challenge to use it. The guides have been ordered and will arrive soon. Our intention is to begin using them on Wednesday, February 13 with the final devotional reading to be completed on Easter, March 23.

At the conclusion of the Easter morning worship celebrations, an evangelistic booklet written by Max Lucado and based on his newest book, *3:16 The Numbers of Hope*, will be given to each person. A person who has not received Christ will have a reminder of how God loves him and how he can trust Jesus as Savior and Lord. A person who is already a Christian will have an excellent tool to use as she tells a friend about Jesus.

Easter is only six weeks away. FIRST Touch teams begin in four weeks. Our 40-day devotional reading begins in two weeks. Will you begin today praying for revival and preparing your heart for what God can do in and through you?
