The Moody Bible Institute's Women's Concert Choir & Bell Ensemble Sunday, March 11 6:00 PM

Founded in 1955, the Women's Concert Choir & Bell Ensemble has sung and played to enthusiastic audiences all over the United States, as well as Europe, South America, the Caribbean, and the Far East. The group, composed of 50-60 women representing a variety of academic majors, seeks first and foremost to worship God with their music while emphasizing musical excellence. In the summer of 2003, the choir participated in a joint ministry and concert tour to Atlantic Canada with the Men's Collegiate Choir. During the summer of 2005. the choir joined the Men's Collegiate Choir for a ministry tour in New Zealand and Australia.

The Bell Ensemble is selected from the musicians within the choir and plays a diverse repertoire of arrangements and original music for bells on an almost six octave set of English handbells.
