## TO GOD BE THE GLORY!

Having closely followed the remodeling of the sanctuary, I knew how the room would look Sunday morning. But hearing the orchestra and choirs, preaching to a full house and witnessing God draw four people to join the church by letter and one person to come for baptism exceeded my dreams for this glorious day.

Express your appreciation to the Sanctuary Renovation Committee, chaired by Rick Tanneberger. This team worked long and for several years and the project would not have come to fruition without their faithfulness to the Lord and His church.

In the midst of the celebrations, let us remember that the real work lies before us. The purpose for remodeling the sanctuary has never been for our own comfort and pleasure, although we certainly enjoy those benefits. Our purpose has been and must continue to be to bring glory to God and proclaim His gospel to those who are without Christ. The beautiful sanctuary with added amenities becomes a tool to use for these tasks.

We must continue to explore ways to use fully the wonderful resources we have and to probe new horizons to reach unreached and underserved pockets of our community. Our vision must be to reach the ends of the earth with the unchanging gospel of Jesus Christ.

Two resources for you:

Many church members have told me they are enjoying using the 40-Day Prayer Guide as we prepare for the “Your Life Matters Prayer Conference” with Dr. Kenneth Hemphill. You can get your copy of the booklet in the church information center.

We are now experimenting with podcasting Sunday morning sermons. The entire “God Meets Your Deepest Needs” series on the names of God is available for download through a link on the church website: [www.fbcfayetteville.org](http://www.fbcfayetteville.org). Your feedback on this would be appreciated. More messages will be added soon.

### Bring the World to Your Family—without leaving home!

This August more than 2,400 high school exchange students from around the world will arrive. Would you share your home with one of these students for the school year or a semester?

AFS Intercultural Programs/USA has led student exchanges for more than 50 years. Family life makes all the difference for a young visitor. When

you open your home and heart to a child from another country—even temporarily—you introduce the world to your children and family and give your AFS student the opportunity to take back a piece of America.

Please call Randy or Natalie McCrory at 479-636-5928 if you're interested in hosting an AFS Exchange Student. Thank you for helping us welcome outstanding exchange students with caring American families like yours!
