College Ministry Skeet Shoot & Tea Party Report

Saturday, April 10, was a wonderful day for our college ministry to connect with our church family. Our ladies tea was a great success as over 20 of our church members joined about 10 of our college ladies for a time of fellowship and discipleship. We want to give a special thanks to Michelle Calhoun, LaVeta Sergeant, and Lisa Falknor for using their gifts to help organize and lead the event.

Also on Saturday our college men were able to spend an afternoon together taking part in some hunting and shooting games with the help of some of our Adult 7 department men. We literally had a blast. Special thanks go out to Mark Lovell for hosting us on his property and providing several shooting games for the students. Also we'd like to thank Emery Scism, David Savage, and especially Billy Mayes for leading shooting games, and organizing and providing equipment for the skeet shoot.

A continuing goal of our college ministry is to integrate students into the life of our church. Paul says in Titus 2 that the way to teach younger generations is by setting an example. Thanks to all the ladies and men who helped us do that this weekend. We look forward to more of these opportunities to develop relationships and share life together with the First Baptist family so that younger generations can continue to see Godly examples of mothers, fathers, husbands, wives, church members, employees, and more.

The kitchen is overflowing with abandoned dishes! If you may have left one here, please come claim it. We also have many jackets and other items at the Information Center. Items not claimed by the end of April will be donated to area charities.
