Women's Craft Night Monday, June 18th 6:00 – till ??

Ladies, do you have a craft that you love to do but never have the time? We have a fellowship just for you! Our plan is to meet monthly to fellowship and work on any craft project you enjoy—knitting, scrapbooking, jewelry making, or just come to chat. The first one will be held in "The Middle School Room" on the 2nd floor of the church. We will be discussing a standard day of each month to have this fellowship, so you don't have to wait on *The Voice*—you will always know when it will be. So what works best for you—the third Friday or the second Monday or the first Tuesday after the full moon? Please come, and let us know. If you will be unable to attend the first time but would enjoy this type of fellowship, please let Kim Horton (790-3243) know when works best for you.

College Ministry

In June, the University of Arkansas will be having 13 orientation sessions with over 3000 new students attending. We will be making many new contacts with the incoming students and their families. Please be aware that they are in our community and our church, and when you meet them help them to have a good experience. If you could possibly get the student's name and email or phone number, we will try to make contact with them.

We are having good summer attendance in our Bible Study, so feel free to invite people to attend University Sunday School. I am already looking forward to this next school year and the many opportunities to impact students for Christ.

While I am no longer on staff at the BCM, I am continuing in our ministry at FBC and looking forward to ministering to all the students who come our way.

Thank you for your support and prayers.
