This week I was looking for some historical information about FBC and began my search by perusing past church newsletters. Most of these have been bound and are located in the church historical room. It was interesting to read past issues of the Voice; first mailed to homes in 1953. Before that time, the newsletter was combined with the bulletin and made available on Sunday mornings.

As mailing and printing costs continue to rise, the expense of mailing the newsletter to every home every week continues to rise. We currently spend over \$5000 each year on the newsletter. In order to be good stewards, beginning July 19, the Voice will be made available online on Friday afternoon, mailed to our homebound members, and made available as a print edition on Sunday morning. As our current paper supplies dwindle, we will consider combining it with the Sunday bulletin as FBC did previously.

The Voice has been available online for several months and this digital version will be enhanced with more color, additional links for more information, and online sign-up for special events. Please make sure the church office has an up-to-date email address for you. If you have a question or need more information, please call the church office at 442-2387.

VBS 2013

Thank you to Tracy Vinson for decorating our church. Thank you church family for your prayers & donations of snacks & money. We could not do VBS without your support. You are an amazing church! Please continue to pray for these who have made decisions & seeds that have been planted this week.

Lisa Wheat

To everyone who helped with Vacation Bible School — I truly cannot say THANK YOU enough! What a wonderful week we had last week at VBS! The children & parents were truly blessed, and I know that God was at work through all of YOU! We had 239 enrolled in VBS & Boom week & 4 professions of faith. This is what VBS is about—to point children & families to Jesus. We give God praise for all He did this past week!

CEO Volunteers Needed

Over twenty years ago the founders of Cooperative Emergency Outreach established a way for local congregations to share the love of Christ with those in our community who found themselves in need with very few places to go for help.

First Baptist Fayetteville has been a vital part of this ministry from the very beginning. Many of our wonderful original volunteers are now in Heaven. *I have offered to be the Board member representing our church and have been praying for others to join those of us who work at CEO.*

This effort can be as little as one day a month and takes only a few hours. We need **food room workers, computer operators, and interviewers.**

If you are interested in learning more, please call me.

Cathy Williams (443-0414).
