Sunday Lunch Great Success

College Ministry

Because over 40 caring families volunteered to take out over 90 students, our First Family made

Take a Student to Lunch a huge success! Our students could not believe that we could provide for the over 50 students who did join our families for lunch this past Sunday. You and I will never fully know what this means to these students, their parents, and their friends who will hear about it. You showed that the First Family does care about students.

Please know of my eternal gratitude to each family and family member who participated with us! One family said that they would take their four students to lunch any Sunday night that the lunch was the first really good meal that they had since coming here. We serve an awesome God. I have the privilege of serving with some of the greatest families anywhere!

Steve Moore

P.S. Ann Lohmar was a real "hero" to all of us in this effort!

Home Away From Home

families are still needed!

Call 442-2387 ext. 16 to sign up.
