University Ministry Events

U of A Day

this Sunday

September 18

8:30 & 11am worship services

First Baptist has a long and rich history of ministry to students at the University of Arkansas. Today the university population is larger than ever, drawing students from across the country and around the world. Never has there been a greater need to take the gospel to this mission field only a few blocks from our doors.

This Sunday we once again focus our attention on this task during our annual U of A Day. U of A Day means helping our church family know our students and see them lead us in worship. U of A Day also means helping our students understand the love and support they have from their church family during such a critical time in their lives. U of A Day means that we all ask God how He would use us to impact eternity for 20,000 plus students. The University will always have an immense influence on our church. My hope is that our church will always have immense influence for the gospel on our university. Join us this Sunday as we ask God to open our eyes to this task and send out students and faculty for this great gospel work.
