U of A Day

this Sunday

September 19

8:30 & 11am worship services

Over the past year I have had the privilege of working with college students here at First Baptist. It has been a blessing to invest in our students and watch them grow in their faith. Our church has a long history of ministry to the University of Arkansas, and we look forward to many more years of helping students hear, understand, grow in, and share the gospel. This Sunday we return to a tradition of setting aside one Sunday with a focus on the university campus and our ministry to it. I look forward to highlighting God's work in the lives of college students. Join us during the morning worship services as we sing together, pray for those from our church family who live, study, or work on the campus, and hear from God's word the message we desire to take not only to the campus, but to the community and nations of the world.
