From Your Pastor

Welcome to 1991!! I always look forward to the beginning of a new calendar year. This one is no exception. God has given us so many opportunities to reach people and to minister. He has also given us abundant resources. Together, let us serve the Lord with earnestness and gladness.

Royce Ann and I appreciate and thank each of you who expressed your thoughtfulness and love for us in special ways during the holidays. It meant so much!!

A few weeks ago we began to compile a list of men and women who were either called up or who were already serving in the military. We published that list so you could write. We also began sending a cassette tape of our services along with other material from the church.

We recently received the following card:

Dear Church Members,

I wish to thank you for the thoughtful gift you sent me here in the desert. It means a lot to me that people back home are thinking of me. It was nice to hear the sermon and names of people I haven't seen for quite some time who participated in the Christmas Concert.

I hope you all have a Merry Christmas and a wonderful new year. I look forward to seeing you all and attending First Baptist Church upon my return to the United States. With the help of your prayers may that day come soon.

*Happy Holidays,
Andy Mayes*

Continue to pray for and to write these men and women. I'll see you in Sunday School next Sunday.

Love,
Preacher

Music in Ministry

How I always look forward to a new year with a fresh beginning and clean slate. I have been busy this week planning special music, anthems and soloists for the next few months. We have some great music in store for the upcoming year. With all of the talent in our church and God's leadership, it's going to get better and better!

What a pleasure it is to serve in a church that loves and appreciates music (of all types), and a congregation that is so supportive of the Music Ministry. It is a blessing for me to lead you week after week.

The Sanctuary Choir, Children's choirs and Missions, and Newsong all begin back this Wednesday at the scheduled times. Let's get the year off to a running start with all members found faithful.

READ THROUGH THE BIBLE IN 1991

The new year promises to bring many exciting opportunities for spiritual growth. However, spiritual growth must be based upon the Word of God. Why not make a decision now to read through the entire Bible this year. If you have done this before, you know the rewards. If you have not done it, this is the year to start.
