FROM YOUR PASTOR

One of the great privileges you have as a Christian is to help someone who is not a Christian come to Jesus. It is such a thrill to see the change that comes to a person who comes to Jesus. It is then a thrill to see them grow in Christ.

It is not only a privilege to help someone come to Jesus, it is an obligation that you have as a Christian. As Paul said, "We are debtors." The Father has done so much for you; Jesus has done so much for you; other Christians have contributed to your spiritual life. We all owe a great debt. As debtors, you must pass on the love of God.

My prayer is that this year you will ask the Lord to help you share Jesus.

I'll look for you next Sunday in Sunday School
Love,
Preacher

Music in Ministry

IS IT WORTH THE TIME
REQUIRED TO PLACE
MY CHILD IN CHOIR

A noted psychologist says:

"Those children who have received extensive training in a younger choir grow up to become happy, well-adjusted adults on a higher percentage rate than do those having no choir experience. I would say that the reasoning for this is that the principles of music and harmony which are learned in choir work become part of that child and are subconsciously carried over into his everyday life.

- Dr. George Crane

An educator says:

"We are only beginning to learn that the right kind of music and singing taught to children while they are young has the power to change the power and destiny of their lives."

- Dorothy Bromley

An Apostle says:

"Let the word of Christ dwell in you richly in all wisdom, teaching and admonishing one another in Psalms and Hymns and Spiritual Songs, singing with grace in your hearts to the Lord." (Col. 3:16)
