From the Pastor's Pen

Thank you for making this past Lord's Day so special. The music, the kind words, the flowers, the cards, the love offering and you. Thank you from Royce Ann and me. We love you.

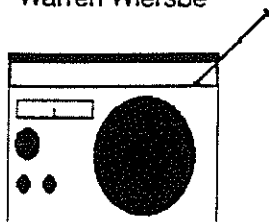

I'll look for you next Sunday in Sunday School.

Our church pictorial directory is progressing rapidly and successfully. Most members are eagerly participating and we appreciate their cooperation.

There are, however, a *few* members missing. We urge everyone to cooperate so that the new directory will be truly representative of our membership.

DEACONS APPROVE MINISTRY PLAN

The deacons of First Baptist Church have approved and will put into place a deacon's ministry plan February 26, 1990. The deacons have been divided into three groups. There are 15 men in each group. One group will meet each Monday night of the month to visit except for the second Monday night when they meet for deacon's meeting.

They will visit and minister to new members, members who have special needs, absentees, Sunday guests and others.

Pray for the deacons of First Baptist Church as they launch this new ministry.

Sanctuary Flowers

We always enjoy the beautiful flowers that are placed in our sanctuary on Sunday. These flowers are sometimes a memorial to loved ones or are given to honor a friend or relative on a special occasion. If an individual, group, or class would like to reserve one or more of the remaining dates listed below to give flowers, please call Rae Oxford at 442-4259 or the church office at 442-2387.

More about Flowers.....

Individuals or organizations who have provided funds for Sanctuary flowers have been urged to take the flowers after the evening worship service, either for their own use or for someone at the hospital or confined to their home. The florist, however, asks that you return the containers to the church for future use. If you have one or more of the containers, please bring it to the church office.

Leisure Club will meet in Fellowship Hall at 12:00 noon Tuesday, February 27, for a cooperative luncheon featuring baked ham. Fran Alexander, daughter of Ernie Deane, will discuss the problems of dealing with municipal solid waste.
