Congratulations!**BILL and JANIE ROSE****on Five Faithful****Years of Service****at****First Baptist Church**

** Tell Bill and Janie you love and appreciate them. **

From Your Pastor

This week marks the fifth anniversary of Bill Rose as our Minister of Education. I have grown to love and appreciate Bill, Janie, and their ministry.

I have also grown to depend upon Bill in many ways. Many of you do not realize what a work load this man carries. So many of the day-to-day responsibilities Bill does without a great deal of fanfare or recognition. I have never known a man with any more of a true servant heart.

Thank you, Bill and Janie, and God bless you.

I'll look for you in Sunday School next Sunday.

Love,
Preacher

Don't Be Late Time Change Sunday

"Spring Forward"
That's right - Spring forward!

Move your clock forward one hour before going to bed. Unless you do, you're going to be one hour late for everything Sunday. See you at 9:30 and 10:50 a.m. for celebration.

Music in Ministry

A special thanks to the Sanctuary Choir for all the "extra" work over the past 2 weeks. The music in the past 2 services has been outstanding and very inspiring. The talent in our church is so abundant. Praise God for music!

The Music Committee decided to purchase the New Baptist Hymnal. We want to get these ordered as soon as possible. We are still \$1,600 away from our goal of \$5,000. Please continue to pray and give toward this fund as the Lord leads. It was our goal to have the new hymnal by the first of April but cannot do so until the goal is reached.

Nancy Knight will give a mini-concert in the evening service of April 14. Nancy is one of our very talented singers at FBC. Plan to come support and worship through music as Nancy leads us.

Now is the time to join the Sanctuary Choir! Why now? Because Easter is over, Spring Break is over, the bad weather is over (we hope), and because it's April! You've already missed 3 months of wonderful fellowship and great singing together. Don't miss another rehearsal! See you Wednesday at 7:30 in the choir room.

The "Spring Thing" for Sanctuary Choir is scheduled for Saturday, April 27. More details coming!!

The Property Evaluation Committee

The Property Evaluation Committee of First Baptist Church was elected by the church for the purpose of evaluating the property along Highland Street and making recommendations concerning it. On January 20, 1991, the committee reported that a study of specific needs for additional space needed to be made. The church voted at that time for the committee to conduct such a study and report back.

This committee has met and discussed the needs of the church. They have talked with members of the church individually and in Sunday School opening assemblies of the Adult Departments. They have talked with leaders of various organizations of the church. They also studied the recent "We Are Family" questionnaire done in our Sunday School and a survey done with our deacons and church council.

As a result of all of this, the committee believes the church, as a whole, is interested in addressing two specific problems: 1) the need for parking 2) the need for additional Sunday School space for Preschoolers, Children, Youth, and Adults, additional space for all-church fellowship functions, additional space for library and media, additional space for music ministry, and space for recreation for all ages of the church.

With this in mind, the committee is leaning toward recommending to the church continuing to provide additional parking as quickly as possible, and building a multi-purpose building of some nature. Before making their final report and recommendations, the committee would like to give an opportunity to anyone or group of the church to present their ideas or requests.

This will be done in an open meeting **Sunday, April 7, 1991, at 5:00 p.m.** in Fellowship Hall. If you would like to share with the Committee your ideas, please attend. If you cannot attend, please call one of the members of the committee or put your ideas in writing and send it to one of them or to the church office.

Keith Robbins is chairman of Property Evaluation Committee. Other members are: Don Goff, Edith Griffin, Clementine Hembree, Andre Houser, Jamie Jones, Hannah Lee, Lisa Lovell, Edwin Matthews, Feriba McNair, Don Scott, Rick Tanneberger, and Hermine Wilkins.
