# Cooperative Program Sunday, April 8th

\$13,520,000

# Pastor's Pen

The Cooperative Program is Southern Baptists pipeline to missions. It is a concept that has worked for us for a long time.

Our church is now giving 18.5% of budget receipts to Cooperative Program. This money goes all over the world to support our work. This next Sunday is Cooperative Program Day. You will receive some additional information on the Cooperative Program. I hope you will become informed on this great tool God continues to use.

I'll see you Sunday in Sunday School.

Love, Preacher

# IN MEMORIAM

Memorials have been received in memory of:

#### Ira West

by: Business & Professional S.S. Class and Current Missions Group

\*Tell me why we are interested in getting new people to come to Sunday School.

\*Tell me why we keep hearing people say how important it is to have a regular outreach program.

\*Tell me why teachers and officers are expected to set the pace on outreach.

### Alright - I'll tell you!

Did you know that?.....

\*Every 13 visits made, on an average, will enroll another new person who is probably unsaved!

\*Every time 3 new persons are enrolled in Bible study, 1 of them will be saved within 12 months?

\*Every time an unsaved person is enlisted in Sunday School, an average of 4 unsaved persons will be found in the same home!

\*Eight out of ten persons baptized into our churches have first been enrolled in Sunday School!

\*Every new class will enlist unsaved persons ten times faster than existing classes!

\*Every additional Sunday School worker enlisted can reach approximately ten new evangelistic possibilities!

\*Every unsaved person not enrolled in Sunday School is 80 times harder to win to Christ than one enrolled in Sunday School!

Praise God for Sunday School!

Join us for Bible Study this Sunday!

Due to a mistake in scheduling, some viewing dates have been changed. Those who were to view their pictures this week have been rescheduled for the following week. Letters have been mailed concerning the rescheduled appointments.

# Sierra Estates Mission Chapel News

### Big Plans for 1990!

Rev. Homer Albright, workers, and members of Sierra Estates Chapel met in January to make plans for 1990. After much prayer and discussion, here are some of the goals which we made at that time:

- Put siding on the trailer and fence in the back yard.
- Have VBS again this year.
- Have another "Back to School" Clothes day
- Share the joys, needs, blessings, and trials on a regular basis with members of First Baptist Church. (Hopefully once a month in the VOICE.) We are very excited about the possibilities that this new year brings and look forward to ministering to the people at Sierra Estates Park.

### THANK YOU

A special thank you to all the people who have given their time, money, energy, and material possessions to help Sierra Estates Mission Chapel. So many of you have given unselfishly, and we would like you to know how much we appreciate this. You have been a blessing to the ministry in the park....Thank you and God Bless You.

### REVIVAL!!!!!

Sierra Estates Chapel will be having a revival the first week in May. Please pray for this revival and the people in the trailer park.

### Help Wanted:

Sierra Estates Chapel currently needs people to work in the following positions:

- \* 6 people to help with survey work
- \* Someone to work with the preschoolers on Wednesday night
- \* Someone to work with the 1st 6th graders on Wednesday night
- \* Someone to assist with the preschoolers on Sunday afternoon
- \* People to visit on Thursday evenings

The work is challenging, but very rewarding. Please pray about these positions and the people to fill them. If you feel God is leading you to work at Sierra, please contact Homer Albright at 521-2117.

### WELCOMEL

We would like to welcome our newest worker to Sierra - Sherry Kern. She has graciously agreed to play the piano for services and is now working with the children's choir at the chapel! We thank God for each and every worker at Sierra; they are indeed blessings from God.
