MINISTRIES

From Your PASTOR

Several months ago we changed our evening service times to 5:00 p.m. for Discipleship Training and 6:00 p.m. for evening worship service. In the next few weeks we are going to do a survey to see how you like the change. Be watching for the survey and please respond.

Last month the church voted to drop the broadcast of our morning worship service and to study alternatives for the use of the money budgeted for the broadcast. Those of you who listened to the broadcast and would like a cassette tape of the service please call the church office and we will mail you one at no cost to you.

A committee is studying alternatives to the broadcast. Please continue to pray for God to call someone to take the lead in establishing a ministry to those who live in multi-family housing in our city. This is a great need in our city, and I believe we need to move in that direction.

George Kennedy has been employed to work with us this summer in developing and directing activities for children this summer. Pray for him as he plans this work, and volunteer to help him this summer.

I'll look for you Sunday in Sunday School.

Love,
Preacher

MUSIC IN MINISTRY

The Children's Choirs Concert is only a few weeks away. Sunday evening, May 31, will be the final joining together of voices until Fall. All of our children's choir directors and workers do an outstanding job each week training and teaching musical concepts to our children. **DON'T MISS IT!!!**

The Sanctuary Choir is still glowing after the Favorites Concert with Nielson and Young. What a tremendous blessing both the choir and the duo pianists were. If you have thought about joining the choir, *now is the time!* With Summer here and schedules so unpredictable, we can always use more singers this time of year. Come join us. Looking ahead...
