BUDGET DISCUSSION LUNCHEON

Sunday, November 5th

**Immediately following Morning Worship
 in Fellowship Hall.**

(Everything is provided!)

Fall Stewardship Emphasis Schedule

November 5th	Budget Discussion Luncheon
November 12th	Special Stewardship Lesson in Sunday School
	Vote on Budget Without Discussion in Morning Worship
November 19th	Commitment Sunday

From the Pastor's Pen

Our annual stewardship emphasis begins next Sunday, November 5, 1989. There will be an all-church lunch in Fellowship Hall following the morning worship service. After lunch, the proposed 1990 budget will be presented by the Stewardship Committee of our church. There will be opportunity for discussion of the proposed budget.

November 12, 1989 a Stewardship Bible lesson will be taught in Sunday School. The budget will be presented for a vote in the morning worship service that day.

Commitment Day will be November 19, 1989. On that day your family will have the opportunity to indicate your plans of financial support of the Lord's work through our church.

The Stewardship Committee,
(Continued Next Column)

under the leadership of Tommy Jones, proposed a plan to pay off our church debt. The church has approved the plan. It is called "Plus One". The plan is for all of us to give an additional 1% of our income to the church each week just for debt retirement. This gift is to be over and above your tithe. If it is taken from your regular giving it would defeat the purpose of "Plus One" and be detrimental to our budget program.

"Plus One" is a part of our stewardship emphasis this year. On your commitment card there will be a place for you to make a commitment to "Plus One".

Pray for this great stewardship emphasis and how our Father wants you and your family to respond.

I'll see you Sunday in Sunday School.

Love,
Preacher

JAPAN: The Challenge

and
the Promise

Come inside the world of Japanese culture and religions - traditions which often stand in the way of evangelism in Japan. Meet missionaries and Japanese Christians who are making a difference in the land where fewer than one percent of the Japanese are Christians.
