CHURCH FAMILY HIGHLIGHT

Sharon Ward, one of our beloved elders, grew up in Hamilton with four brothers and four sisters, where faith was nurtured through her family, church, and school. She learned the value of community and a life centered on God. Sharon has always loved being outdoors and spending time with friends. Her husband, Jack, sings on our worship team, and her grandchildren Hayden, Keith, and Sydney are also part of our LVC family.

Thirty-four years ago, a friend invited her to Lakeshore Vineyard Church, and from her very first visit, it felt like home. She knew she had found where she belonged. With a sense that God has called her to serve, she has faithfully served in many ways over the years. Leadership continues to remind her to keep God first and to pray without ceasing.

Sharon loves our LVC family and treasures the opportunity to walk alongside others, encouraging, praying for, and serving them. Her desire is that people would experience God's love through her and feel supported right where they are. She is encouraged by the church's leadership and believes God's Spirit is actively at work at Lakeshore Vineyard, with great things ahead. She would appreciate your prayers, that she would continually seek God's voice and follow His plans above her own.

MINISTRY HIGHLIGHT

More Love More Power

Our team was blessed at the More Love More Power conference in Illinois last weekend! This year's theme for MLMP was "Free Indeed," focusing on our freedom in Christ, surrendering to God, and following God's heart to go make disciples!

Here are a few testimonials from the team:

- ~ I received freedom from things of the world that were weighing me down!
- ~ I always go to MLMP expecting God to move, and God always does more than I expected.
- ~ Surrendering to God my weaknesses, trusting when He says I am free, and then walking it out moment by moment, remembering we overcome by the blood of the Lamb & the word of our testimony!
