CHURCH FAMILY HIGHLIGHT

Kim Edgel grew up on a farm between Grand Rapids and Lansing. His parents owned a small country store and gas station, with the family home connected to the store by a curtain behind the counter. Faith was woven into his childhood through Sunday school, church, Wednesday night programs, and summer church camp. His path toward ministry leadership became clearer during his senior year at Hope College, when a course on “Helping Relationships” on Beaver Island opened his heart to a deeper calling.

That journey eventually led him to Lakeshore Vineyard Church Fellowship. After completing a men’s discipleship program through the Christian Business Men’s Committee in Grand Rapids, he was encouraged to grow in his faith by pursuing the Holy Spirit. Soon afterward, he encountered Pastor Paul Bradford and LVC, where he found teaching and ministry centered on the Holy Spirit. Since then, Kim, his wife Gloria, and their son Aaron have called The Vineyard their home church, growing and serving together as a family. They have also served many terms at YWAM Orlando.

While leading here at the Vineyard, Kim discovered this is his “tribe.” He believes the Vineyard movement shaped who he is. Its DNA, teaching, encouragement, and willingness to let people try, learn, succeed, fail, and try again have all played a significant role in his spiritual growth. Kim’s greatest joy in ministry is watching others grow and step out into ministry themselves. Over the years, people have told him, “What you did has changed me in a positive way forever.” Those words reflect his deep desire that people would experience healing, spiritual transformation, and a genuine connection with God. His prayer for LVC is that everyone would experience Transformational Prayer Ministry (TPM) and discover for themselves that God is real, that He loves them, and that He desires to bring deep spiritual and emotional healing.
