

Dear Canada, Christian Ministers Association

We are so grateful that you have selected SimpleChurch to be the recommended software solution for the Christian Ministers Association churches of Canada. We are pleased to announce a 10% discount for the entire first year of the subscription costs for each church that is recommended by you.

To participate in this special promotional offer, each church must sign up at this website and enter this code <https://www.simplechurchcrm.com/free-trial/?ref=canadacma>. Once registered, they will have immediate access to their blank SimpleChurch online database.

Within a day or two, the church will be contacted by Scott Yoder, account manager for our Canadian Churches, to point them in the right direction for a successful launch.
