

St. Mark's Day School

Junior Kindergarten

Does your child just miss the cut-off for Kindergarten? Does your child need the gift of time before embarking on their elementary school journey? St. Mark's has the perfect option for you!

Our Junior Kindergarten is designed to support children who turn five by January 1st. This one-of-a-kind program, fosters the healthy growth of each child's intellectual, social, physical, and emotional development. The Junior Kindergarten curriculum introduces your child to the organization and routines of school. As your little learner takes on his/her role as a student, academic skills are introduced in a nurturing, caring environment. This program provides your child the opportunity to experience the joys of learning in the classroom and through play!
