

Beginning the week of October 5th, we will gather in home groups for 4 weeks, to explore the Gospel of John. At Coffee Hour each Sunday in October, we will have the opportunity to share insights across all the home groups.

This is an exciting time within the life of St. George's, and everyone is encouraged to join the study. We will be using a study guide from the Knowing the Bible series, John by Justin Buzzard (Amazon, \$9.99). Please be sure to bring your copy to the 1st session.

For planning purposes, registration is requested by September 21. Select the home group that best meets your location/day/time. The host will confirm the details with you.

This QR code may be used for registration or there are paper forms on the credenza in the rear of church. If using the paper form, place the completed form in the offering plate, no later than September 21.
