## Missions Highlight

### *Alpha Pregnancy Care Center*

Alpha's mission and purpose – to honor Jesus Christ by being the first step for women facing unplanned pregnancy as we address physical, spiritual, and emotional needs to prayerfully transform their fear into confidence equipping them to choose life. Alpha is a safe place for women when they feel there are no options for their overwhelming situation. We provide free pregnancy tests, free limited ultrasounds, parenting resources, mentorship programs and baby-related essentials such as diapers, wipes, clothing, formula, strollers, car seats, baby swings, and prenatal vitamins to name just a few.

Alpha Pregnancy Care Center does not offer or refer for abortions. Alpha does offer a Bible study for moms who aborted children in the past or experienced the loss of a baby thru miscarriage. We offer steps toward healing in a safe, confidential and non-judgmental environment. This study brings light to the darkness and provides healing and hope thru God's word.

All services at Alpha are free and confidential and covered in prayer as our mission is not only to encourage and support moms in choosing life, but also to encourage and support moms in choosing abundant life through Jesus Christ. Alpha is thankful for the prayers and financial support of the local church as we continue to minister to the needs in this area.
