

Bloom Discipleship Sisters

a Ministry of Bloom! WLC Women's Ministries

The Discipleship Sisters, an arm of Bloom! WLC Women's Ministries is available to partner women who are seeking a deeper level of one on one friendships.

Ladies interested in this program will be paired with another Discipleship Sister to meet and grow in the Lord.

The partners are encouraged to choose a study to work through together, if desired. WLC has several resources for material in needed. Also, Tina Mann, the Discipleship Sisters Coordinator can give great options on books that can encourage discussion and growth.

Meeting for coffee and just sharing with one another is of great value as well!

We want this to be an organic opportunity for women to enjoy female fellowship.

We look forward to the blooming new relationships to come!

If you have any questions you are welcome to reach out Tina Mann. (316-201-8825)
