## Welcome Al Rivett, Interim Assistant Pastor

by David C. Mauldin

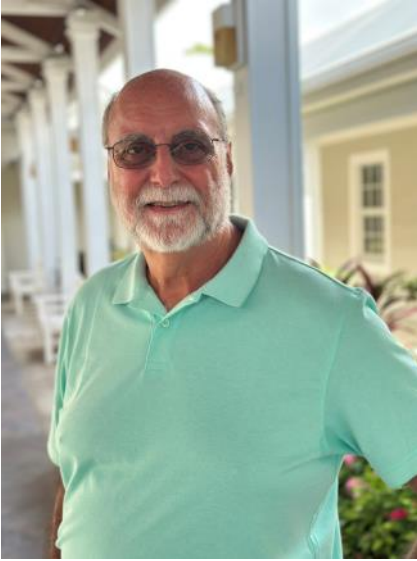

On Tuesday, June 24, Al Rivett began serving as our interim assistant pastor. He will be helping me out, filling in when I am away, working with our vision team and finance committee, and handling some administrative tasks. He will be serving part time, about 20 hours per week. We are happy to welcome him as part of our team while we search for a permanent, full-time second pastor. We have been searching for a while, but these things take time. Thankfully, we are not without help while we continue the search!

Al is a commissioned lay pastor approved by the Presbytery of Florida to serve as pastor of a church. (The technical designation is CLP 2). This means he is an elder who has some seminary training. He also has specialized interim pastor training, and served as transitional pastor of Christ Presbyterian Church in Barnwell, South Carolina, for two years. Al has been active in church leadership since 1996. His home congregation is Indian River Presbyterian, where he has served as an elder. He has been through the visioning process twice, once as an elder and once as a pastor. Al and his wife, Donna, make their home in Fort Pierce.

Al's professional career was mainly in community development and the non-profit world. For example, he was the director of Habitat for Humanity in St. Lucie County. He worked for the St. Lucie County Chamber of Commerce as both executive vice president and director of governmental

continued from page 1 relations. He has served on boards and chaired numerous community organizations.

I knew Al from my work with the presbytery. When I approached him about the possibility of helping us, our needs and his gifts seemed to line up well. He is a man of faith and integrity. He has a heart for people and the church. I recently asked Al a few questions about himself and his calling.

**Al, what do you want the folks at PCPC to know about you as you begin your ministry here?**

*I've taken several spiritual assessments, and each shows I'm very high in "faith." I believe and trust in the sovereignty of our Lord, even in the midst of life's challenges. This is particularly true during my current season of life in which I'm dealing with a health issue of a loved one.*

**Please share with us how you came to faith and why you are a Christian.**

*I've known Jesus since I was a child. I don't remember a conversion experience, but a major life challenge resulted in a deeper faith. Out of the clear blue, my*

*former wife declared that she no longer wished to be married. Heartbroken, the experience brought me to my knees, turning the situation completely over to Jesus for Him to handle. Life has never been the same. I was put on the path to wed my wife, Donna, now of more than 23 years, and to serve Jesus in formal ministry as a pastor. Praise God!*

**What is your favorite part of pastoral ministry?**

*This is difficult to answer because I enjoy it all. I consider myself to be a "jack of all trades, master of none." Although I do many things well, among my favorites are problem solving and ministry implementation.*

**Besides the Bible, what is your favorite book?**

*I am a fan of author C.J. Box and his Joe Pickett series.*

**Favorite movie?**

*I've seen the last two seasons of The Chosen in the theater. My favorite non-Christian movie is Independence Day.*

# A Place to Pray

by Marlene Boobar

We are told that we can pray anytime and anyplace. Paul wrote to the Thessalonians that they should “pray without ceasing” (1 Thessalonians 5:17 ESV). If we pray continually, we don’t necessarily need a specific place to pray. But what did Jesus do? We are told in Mark 1:35, “And rising very early in the morning, while it was still dark, He departed and went out to a desolate place, and there He prayed.” Jesus was very deliberate in His praying.

Jesus sought out a quiet place, not just for Him to speak to the Father, but so that He could “hear” what the Father might say to Him. This is our example.

We pray and ask for help making decisions. We pray and ask for comfort for those who are suffering in some way. We pray for healing. We pray for our loved ones, and we pray for strangers. We pray for our church, and we pray for our country. In fact, we pray for the entire world!! Often, we have a laundry list of items we present to God in prayer. We want what we want when we want it! Yet, do we listen? Do we set aside that quiet time, in that quiet place where we can “be still, and know that I am God” (Psalm 46:10)?

Before Jesus chose His twelve disciples, He spent the entire night in prayer. Luke 6:12 tells us, “In these days, He went out to the mountain to pray, and all night He continued in prayer to God. And when day

came, He called His disciples and chose from them twelve, whom He named apostles ...” Thus, Jesus spent the entire night in prayer before He chose His apostles. How long do we spend in prayer before a big decision? How much time do we spend communicating with our Father? Remember, communication involves not just speaking but listening too. Before the miracle of Jesus raising Lazarus from the dead, Jesus prayed, saying “Father, I thank you that You have heard Me. I knew that You always hear Me ...” (John 11: 41-42). And then Lazarus came out of the grave.

The lesson from Jesus is that we pray without ceasing. Do we need a specific place to pray? Not necessarily. However, going to a special place might just give us the comfort we often seek. What is most important is that we find a quiet place in our minds where we lift our minds and hearts up to Him and we

thank Him! We thank Him because we know we can be assured that He hears us and WILL answer us. It is in His time that our prayers are answered. Also, we acknowledge that His time is always perfect. The most important lesson for us is that we take some time to  *speak*  to Him, and then, most importantly, we take the time to  *listen*  to Him. It is not the place that is important, but the time. Remember, we must be still to “hear” Him. “For thus saith the Lord God, the Holy One of Israel ... in quietness and in confidence shall be your strength ...” (Isaiah 30:15 KJV).

Let us pray. Amen.

# PCPC MISSIONS

MAKING CHRIST KNOWN AND CHANGING LIVES

## Our Community Table

by Laura Gonzalez, PCPC Liaison

Looking for a fun volunteering opportunity in a Christian environment? Join others from PCPC for a church-wide volunteer day serving meals with our ministry

partner, Our Community Table, on **Saturday, August 2nd**, in Stuart.

Our Community Table (OCT) is a faith-based ministry that brings churches and the community together to help feed those in need in Martin and Okeechobee counties. Since its start at the height of the pandemic, OCT has grown from serving 124 weekly meals to currently serving over 1,800 meals every Saturday. That's 350,000 meals to date! Volunteers arrive at 7:00 a.m. every Saturday to cook, set up and plate meals, clean up, and transport food. They

distribute free meals, along with Bibles and prayer, to a dozen different locations in our community.

PCPC volunteer day with  
**OUR COMMUNITY TABLE**  
is Saturday, August 2  
@ 9:30 a.m.

I have arranged for our church to assist with plating meals on Saturday, August 2nd. **Our PCPC group will meet at The Grace Place, 1550 SE Salerno Road in Stuart, at 9:30 a.m. To sign up, look for me at the registration table after all three services on Sunday, July 20th and July 27th, or call the church office at 772-286-9958.**

Can't volunteer? You can still help! Our Community Table's goal is to end hunger, but they can't do it without support. OCT is manned entirely by volunteers, and 100% of all donations go directly to creating meals. I am happy to share a list of items OCT needs for their ministry, or you can visit [OurCommunityTableMinistries.org](http://OurCommunityTableMinistries.org) to learn more.

## Next Generation Ministry

by Director Jessica Waltersdorff

While summer is often seen as a time to recharge and refresh, we've been ramping up for an incredible season of growth and outreach! Our team is preparing for exciting opportunities to connect with students and families in our community. This fall, we're looking forward to supporting Game Day at one or more of our local elementary schools and launching a student-led Christian club at Hidden Oaks Middle School to help students connect with God and share the hope of Jesus with their peers. Big things are ahead—and we can't wait to see how God moves through this next generation!

### JUNE IN REVIEW

#### Welcome Jennifer Osborne!

Jennifer is our new children's ministry specialist. She comes to us with over two decades of teaching experience. You can learn more about her on our [website](#). She will be leading our Sunday morning Kingdom Kids and weekly outreach initiatives during the school year.

#### True North VBS:

#### A Week of Faith, Fun, and Friendship!

What an incredible week we had at this year's Vacation Bible School! Our campus was full of energy, laughter, and the joyful noise of over 180 children learning about God's love and direction for their lives. Throughout the week, our campers explored Bible stories, sang worship songs, played games, and participated in hands-on science projects. One of the biggest highlights was seeing children grow in their understanding of how we can always trust Jesus.

We're especially proud of the generosity shown during our mission focus. Campers brought in \$800 in donations—an incredible effort that was matched by our Mission Committee, doubling the impact. Thanks to this partnership, we were able to provide

the equivalent of approximately \$22,000 worth of warm clothing for children in need. What a blessing it was to witness children learn the joy of giving and the power of helping others in Jesus' name!

This week couldn't have happened without our incredible team of volunteers—over 80 teens and adults, who gave their time, energy, and love to make each moment special. From group leaders and snack helpers to storytellers and decorators, your work made a lasting impact!

Thank you to all the families who shared your children with us this week. Your support and encouragement helped create a fun and faith-filled environment where kids could learn, grow, and feel known and loved. God is so good—and we give Him all the glory for the joy and transformation we witnessed!

#### The Coast Summer Camp

Our youth enjoyed a powerful week at Word of Life's The Coast summer camp! Gwen, Madeleine, Leighton, Alazaya, Adriel, Julian, and Connor joined hundreds of other teens for a week packed with high-energy worship, deep Bible teaching, crazy team competitions, and unforgettable memories.

## BE A CHAMPION FOR KIDS!

Do you remember the first person who helped you understand how much Jesus loves you? Someone who showed up, cared deeply, and made you feel seen. For many of us, it was a trusted adult during childhood—a true champion for our faith journey. Now, you have the chance to be that for someone else.

**Our children's ministry is growing**, and we're looking for passionate and dependable partners to come alongside kids and champion their walk with Jesus. Whether it's through telling a Bible story, leading a game, or simply offering a listening ear, your presence makes a difference.

You don't need all the answers—you just need a heart that's willing to serve. We'll equip you with everything you need: training, materials, and a team who's in it with you. As many experienced during Vacation Bible School, walking alongside kids in their faith journey isn't just rewarding—it's transformational.

Let's raise up the next generation—one Sunday, one smile, one story at a time. We are seeking a welcome team to help check families in on Sunday mornings. We are also seeking small group leaders to:

- pray for their small group during the week.
- sit with their group during large group story and worship.
- participate in games.
- lead simple activities each week.
- develop relationships with the children in their small group.

**Annual training for our children's ministry partners is scheduled for August 9th from 9:00 a.m. to 12:00 p.m. in the chapel.** Come and learn how you can grow in your faith while sharing Jesus' love with others. Contact me with any questions at [jessica@palmcitypres.org](mailto:jessica@palmcitypres.org).

**GPS CHURCH**  
GOD'S PEOPLE SERVING

April 29, 2025

**To Dr David Mauldin, Session and the Congregation of Palm City Presbyterian Church,**

What a joy and privilege it was to attend the Presbytery meeting at Palm City and to join you for the Sunday services. We are especially grateful for the opportunity to share about the GPS Church plant during the service.

On our drive home, Keith Berg—who also shared during the service—said something that stayed with us: “Palm City does one thing right—they know how to welcome people!” We couldn’t agree more. Your warmth and hospitality deeply touched us.

On behalf of the GPS Church family, thank you for your ongoing prayers, friendship, and generous financial support. Though we are separated by many miles, we do not feel alone. Your encouragement reminds us that we are part of something much bigger—God’s family working together across distances.

Pastor David, thank you for your leadership and for fostering a culture of generosity and mission-mindedness within Palm City Presbyterian Church. To the Session and congregation, your kindness and hospitality have deeply touched us. Though we serve in different places, we are united in the same Kingdom purpose.

Your support strengthens us in both visible and unseen ways. Thank you for standing with us as we seek to reach our community with the love and truth of Jesus Christ.

Please know that we are also praying for you, your pastor, your staff, and your faithful ministry in Palm City.

*“The LORD bless you and keep you;  
the LORD make His face shine on you and be gracious to you;  
the LORD turn His face toward you and give you peace.” – Numbers 6:24–26*

# PCPC Choir Invited to Carnegie Hall!

by Reva Rogers,  
Director of Traditional Music

After a very successful choir season, we are excited to announce some truly incredible news. Following our moving performance of *Tenebrae: A Service of Shadows* at this year's Good Friday service, renowned composer Heather Sorenson has extended a once-in-a-lifetime invitation: Our small but mighty chancel choir has been invited to perform Sorenson's brand-new cantata, *SOLAS*, at Carnegie Hall in New York City this November!

Our choir will join voices with other choirs from around the country to present this inspiring new work on one of the most prestigious stages in the world, representing Palm City Presbyterian Church and our entire community.

**Our Goal:** We are embarking on a fundraising journey to raise \$60,000 to make this dream a reality. The funds will be used to cover flights, accommodations, meals, rehearsal scores, and all essentials for each choir member during our 4-day trip.

**How You Can Help:** Be on the lookout for various fundraising events and opportunities in the coming months! We also gratefully welcome direct donations—every gift, large or small, brings us one step closer to this unforgettable experience.

We want to take a moment to express our heartfelt thanks to all who have supported the choir throughout this season. Every donation to our concert series, every floral arrangement, handwritten note, and kind word after services has meant so much to us. Your generosity and encouragement have helped us grow and prepare for this incredible opportunity. Thank you for your continued prayers and support as we prepare to share God's light through music at Carnegie Hall! May his melody guide us!

## Ministry Through Flowers

By Lonnie Ehmann

Our congregation has the opportunity to donate fresh flowers to adorn the sanctuary chancel each Sunday. Our in-person congregation and online attendees can appreciate their beauty, as they accentuate the pulpit and the lectern area. The vibrant colors and dynamic shapes of the arrangements give us pause to thank God for his creation. Our members can reserve a date to donate flowers in honor or in memory of someone or to mark a special occasion by visiting our [website](#) or calling the church office. There are two main local flower shops we use, but you can provide our guidelines to the florist of your choice.

What happens to the gorgeous flowers after the 11:00 service? The donors can bring them home and enjoy them, or they can donate them to the deacon ministry team for distribution to others. When flowers are donated, they are rearranged into several smaller bouquets. The deacons then look to see

# Widows Club: June Recap

By Marlene Boobar

Twenty six widows met for a pot luck dinner on Wednesday, June 18, in Langill Hall. The theme of the evening was a tribute to Frankie Valli and the Jersey Boys. A video was shown on the large screen from one of their concerts and lyrics were provided to sing along to the familiar tunes of "Big Girls Don't Cry," "Sherry," "My Eyes Adore You," and "Walk Like a Man." It was a fun evening with some inexpensive entertainment! A few of the gals even got up to dance! A good time was had by all!

**The next Widows Club event will be planned for August. Please watch for upcoming announcements about meeting at a local restaurant.**

Many of the widows are planning to attend the over-night trip to Mount Dora October 25. Being with each other on and off the bus and exploring the town of Mount Dora will provide wonderful fellowship. This trip is open to all (men and women) from the church and their friends.

If you are not on the Widows Club **mailing list** and would like to be included, please contact Marlene at [marleneboobar@hotmail.com](mailto:marleneboobar@hotmail.com) or call the church office at 772-286-9958.

who might need cheering up with a bouquet visit or if someone has a milestone birthday or anniversary to celebrate.

The new arrangements are delivered on the same or next day. The recipient is always happy that their church family remembers them, but it is also an uplifting moment for the deliverer. Thank you to the original donors of the flowers, as so many people in our congregation are blessed with arrangements!

How can you help the flower ministry? If you are a shepherd and know of someone in your flock who would like a bouquet visit, please let Trish Jones in the church office know. If you are a member and know someone who needs cheering up, please call the office. The deacons will work them into receiving flowers. If you want to be part of the delivery, we can arrange that as well.

If you are moved to donate flowers to beautify the sanctuary, they will not only be enjoyed by the congregation but also used to show love to one another, as Jesus taught us. Scan the code provided here or see the [Volunteer page](#) of our website for more information, including details about the size of each arrangement and which dates have already been reserved.

## Upcoming Men's Event
