| 1. | From John the Baptist's example, it is important when witnessing to others for us to know |                             |                       |                 |                        |                  |  |  |

|    | our   | AUDIENCE                    | We can di             | scern things h  | appening in others'    | lives through    |  |  |
|    | the   | COUNSEL                     | of the Holy S         | pirit.          |                        |                  |  |  |
| 2. | When seeking help from the Holy Spirit:   |                             |                       |                 |                        |                  |  |  |
|    | o We  | can pray for                | HIS PRESENCE          | wher            | the opportunity ar     | ises to share    |  |  |
|    | our   | testimony.                  |                       |                 |                        |                  |  |  |
|    | o We  | can pray for those          | with whom we ar       | e to share ou   | r testimony that the   | Holy Spirit will |  |  |
|    | reveal to us WITH <b>WHOM WE ARE TO SHARE OUR TESIMONY</b> , and they will be             |                             |                       |                 |                        |                  |  |  |
|    |   | RECEPTIVE                   | to that which         | we share.       |                        |                  |  |  |
|    | o We  | can pray to have            | INSIGHT               | abou            | it what is happening   | 5                |  |  |
|    | in the life of whom we are to witness.  |                             |                       |                 |                        |                  |  |  |
|    | o We a  | are to know our             | STORY                 | _ before we a   | re called to share it. |                  |  |  |
|    | • (1 Peter 3:15) We are always to be prepared to "MAKE A DIFFERENCE to anyone             |                             |                       |                 |                        |                  |  |  |
|    | who asks you for a reason for the <b>HOPE</b> that is in you."                            |                             |                       |                 |                        |                  |  |  |
|    | We can pray for the Holy Spirit to speakTHROUGH US  |                             |                       |                 |                        |                  |  |  |
|    | •   | (Luke 12:12) "The F         | loly Spirit will give | ? you <u>TF</u> | HE WORDS TO SAY        | at the           |  |  |
|    |   | moment when you             | need them."           |                 |                        |                  |  |  |
| 3. | When s  | When sharing our testimony: |                       |                 |                        |                  |  |  |
|    | o We  | are to <b>ENGAG</b>         | <b>iE</b> others in _ | CONV            | ERSATION               |                  |  |  |
|    | •   | The biggest obstacl         | e we must overco      | me when sha     | ring God's love for t  | us is            |  |  |
|    |   | <b>FEAR</b> of ho           | w someone migh        | t react to our  | interaction.           |                  |  |  |
| 4. | When we engage people in conversation, we need to beRELATABLE                             |                             |                       |                 |                        |                  |  |  |
|    | o The   | making of disciples         | occurs through $\_$   | RELAT           | IONSHIPS .             |                  |  |  |
|    | •   | We need to build ra         | apport so others r    | night conside   | r our story of God's   | love as being    |  |  |
|    |   | credible and true.          |                       |                 |                        |                  |  |  |
|    | •   | Developing relations        | ships often require   | es us to be     | VULNERABLE             |                  |  |  |

| 5.  | In i   | response to Jesus' love for us, we should be to tell of Jesus and                    |  |  |  |  |  |

|     |  | NEW BEGINNING and a newLIFE in Christ.   |  |  |  |  |  |
| 7.  | When someone is ready to confess their sin and accept Jesus as their Savior, Jesus |  |  |  |  |  |  |
|     |  | COMES to them through the work of the HOLY SPIRIT.                                   |  |  |  |  |  |
| 8.  | In t   | the role of sharing our testimony, we also need to know ourPURPOSE                   |  |  |  |  |  |
|     | 0  | We are merely God'sfor the Holy Spirit to speak to the                               |  |  |  |  |  |
|     |  | heart of others.   |  |  |  |  |  |

|     | 0  | Our job is to shareGOD'S LOVE and trust He will use it forHIS GLORY                  |  |  |  |  |  |
| 9.  | Ou   | r job doesn't <b>STOP</b> after sharing our <b>TESTIMONY</b>                         |  |  |  |  |  |
|     | 0  | Once someone accepts Jesus as their Savior, we need toMENTOR THE GROWTH_             |  |  |  |  |  |
|     |  | of their faith,WALKING ALONGSIDE of them as they seek to follow Jesus.               |  |  |  |  |  |
