

# Sharing life together as Christ transforms us by His Truth

## Our vision

We will be like a sturdy and thriving tree, deeply rooted in the love of God and his Truth; continually growing in spiritual maturity; and yielding abundant fruit in the form of new disciples, emerging leaders, and youth raised in our church continuing in their faith serving Christ wherever he leads.

## Our values

### Discipleship

We put Jesus first.

### Clarity

We stand on God's Word.

### Presence

We show up.

### Humility

We know "it's not about me."

## Celebration stories

By July 1, 2026, we will collect 175 Church Celebration Stories that express what God is doing in our church as we live out our values. **How have you seen God at work at PCPC?**

**Email stories that embody our values and mission to [vision@palmcitypres.org](mailto:vision@palmcitypres.org).**
