### Mission

Sharing life together as Christ transforms us by His Truth

### Job Overview

We want the youth who grow up in our church to have a strong, articulate faith in Jesus Christ. They should know the joy of using their gifts for God's glory. We want to share the gospel with our community's youth, bringing them to Christ and into God's family. We are looking for someone with a deep, growing faith in Jesus Christ, who can connect with youth and show them Jesus. This person will integrate youth into the life of the larger congregation, rather than operate a siloed youth ministry. The Director will maintain connections with youth after they graduate and work with and build up our Youth Ministry Leadership Team.

### About Palm City Presbyterian Church

PCPC is a church of nearly 600 covenant partners with resources to support a thriving youth ministry. We have a gym and wonderful facilities for youth in our Huizenga Family Life Center. God has placed our campus in a strategic location right across the street from a middle school. We have three worship services every Sunday morning; two traditional and one contemporary. Our staff is small and cares for and supports one another.

### What We Believe

The heart of our faith is found in The Essential Tenets of ECO (A Covenant Order of Evangelical Presbyterians). We also have clearly defined vision and values.

### Responsibilities

Below are the outcomes this role owns. Weekly tasks flow from these; this is not an exhaustive task list.

#### Discipleship & Spiritual Transformation

**Here's what a win looks like:** youth encountering the gospel weekly through excellent teaching and sharing life together as they grow in faith

- Facilitate and oversee weekly discipleship opportunities for youth and young adults that foster spiritual growth, meaningful relationships, and engagement with scripture
- Teach biblically grounded lessons and facilitate small group discussions that invite questions and personal reflection
- Build mentoring relationships with students and young adults, providing guidance, prayer, and encouragement
- Help youth and young adults connect their faith to everyday life through service, worship, and community engagement
- Collaborate with PCPC pastors to guide the youth confirmation process

## Ministry Leadership

**Here's what a win looks like:** youth integrated into the life of the whole congregation, knowing they are loved and mentored by many caring adults

- Create a welcoming environment for both church and unchurched young people
- Partner with parents and caregivers as primary faith influencers in the lives of students
- Recruit and train volunteers, valuing them not as a means to get things done but as fellow laborers in Christ who use their gifts for God's glory
- Build and collaborate with our Youth Ministry Leadership Team, a group that does NOT tell you what they want to see happen and then leave you to do it. Rather, they support and serve with you to make your ministry effective.
- Collaborate with church staff to ensure youth and young adult ministries align with PCPC's overall mission and discipleship vision
- Encourage participation in intergenerational worship and service opportunities

## Community & Events

**Here's what a win looks like:** our community sees and values the youth ministry of PCPC

- Facilitate and oversee retreats, mission trips, service projects, and seasonal gatherings that build community and deepen discipleship
- Cultivate a vibrant community among young adults through small groups, fellowship events, and shared experiences
- Support opportunities for youth and young adults to serve in worship, outreach, and congregational life
- Support and lead youth-focused outreach initiatives, such as First Priority chapters, while partnering with schools and organizations to enhance engagement
- Communicate regularly with participants and families about events, opportunities, and updates
