Nico and Darlene Yocca are two young university students who have been faithfully working with the youth and the mothers at the La Roca soup kitchen. A breath of fresh air is what they have brought to the ministry as they are very creative and very organized. Living on a shoe string budget they are the promise and the hope of new leadership. Darlene recently started having pain and has been diagnosed with a large tumor on one of her kidneys. The doctors decided the kidney and the tumor needed extracting immediately but have sent them to the city of Tucuman, 2 1/2 hours north of us, a larger city with better medical facilities and care. Tomorrow Wednesday, the 22nd of May at 1 PM our time she will go into surgery. Please, pray for God's grace on the team of doctors that will be operating, that the hand of the Lord would cover her, and that his care would surround her. Pray for her full recovery and for the testimony of faith and trust they have shown in the midst of it all. Darlene's brother Gian Franco (18) is also a young university student and incredible leader. He came over today so we could pray over Darlene, Nico and their families. Please, pray for their parents as they are struggling through this. Please, pray the Lord would stir them up to faith in Jesus. Pastor Carlos, Ana and I will be traveling to Tucumán to accompany them and the family. Pray that Christ be exalted and pray for the opportunity to share the gospel of Jesus.

#### THE POWER OF THE GOSPEL

Last week I was asked to pray in a small state-run kindergarten in a poor part of town. In this part of the world it is the custom to have a priest come in the schools and bless them. One of the sisters in Cabildo teaches there and it is through her testimony that I was given this wonderful opportunity. I shared a small testimony on the value of their lives as a wonderful creation of God and then prayed for the kids, the teachers and the support staff. When the kids all went off to their classrooms the director asked me to come back for the afternoon section. After sharing and praying in the afternoon I was asked by a mother if I could go to their home to pray for her mother, Maria. The home was very humble, and the mother resisted a little to come out. I shared the gospel with her, grabbed her hand and as I prayed for her noticed her hand was twitching oddly. In the midst of praying a spirit took hold of her and she attacked me, and a voice kept repeating, she's mine, mine, she's mine! I continued to pray in a renewed and confronting manner and in the name of Jesus and she was freed. Pray for Maria as she has traveled back to Buenos Aires and as she tries to break free from her family and their heavy involvement in witchcraft.
