Bunking Up with our Neighbors

Remember those bunk beds made by our friends at YouthBuild Lake County? (Check out [February's Love Note](#).)

They have kids sleeping on them now!!!

On the first Saturday of April, the regular furniture teams from [Libertyville Covenant Church](#) and [Gurnee Community Church](#) teamed up with [Village Church of Gurnee's](#) 8th graders, and the [YouthBuild Lake County](#) students (the ones who actually built the beds!) to deliver ten bunk beds to six of our neighbors in need.

Throughout the course of the morning, the crew built bunk beds and relationships. They brought stuffed animals and hugs. They made beds and made people's day. They prayed with our neighbors and brought the light of Christ into our community.

This is what it looks like
to mobilize local churches (and agencies!)
to transform lives and communities, In the Name of Christ.

Immediate openings available for loving servants to support the ministries of our partner churches!

Love INC Prayer Corner

Prayer is an integral part of who we are at Love INC of Lake County. Will you join us in praying for these specific ministry needs?

- **For Ms. A.:** For confidence in Jesus & her self-esteem, to move beyond the negative things she was told about herself as a child.
- **For Ms. W.:** Healing for her daughter's chronic, painful ear infections
- **For Love INC's board:** Discernment and wisdom as they navigate the Executive Director hiring process.

Listen to my voice in the morning, Lord. Each morning I bring my requests to you and wait expectantly. ~Psalm 5:3
