We're on a mission.

We live in unprecedented times. The world is changing faster than we ever imagined. And more and more people are wondering if there's something more.

It's our high calling and privilege to help them experience healing, wholeness and hope as they walk with Jesus.

We have a vision.

Simply put, we *"Train Men & Share Jesus."* When a man learns to share his faith and develops the boldness to engage others for Christ, he becomes armed and dangerous for the Kingdom of God.

Our time-tested approaches to faith-sharing have changed our lives, and we're eager to help other men experience the same.

We're NGL Camp Aurora.

As part of the No Greater Love Network, we've been *"Putting the Gospel in the hands of faithful men"* for decades. We're a band of brothers, eager to follow Jesus and grow as men of God.

Countless men have encountered God in new and powerful ways as we offer Jesus to the crowds at Mardi Gras in New Orleans.

You're invited.

We want to share this game-changing experience with you. Our hearts long for heart-pounding adventure with our God.

We believe sharing Christ shoulder-to-shoulder with other men will impact every aspect of the rest of your life.

2027 Theme:

HONOR JESUS

The greatest honor of a man's life is honoring our Lord and Savior, Jesus Christ. There's no higher calling than following, serving and honoring the One Who gave His life for us.

At NGL Camp Aurora, we honor Jesus by learning to help others trust Christ on the streets of New Orleans during Mardi Gras.

Over the years, God has used NGL Camp Aurora in equppping hundreds of men for a lifetime of sharing Chirst with those far from God.

We'd love to include you.

It's our honor to make Jesus known.
