## Facility Use Guidelines

New Horizon United Methodist Church—hereafter referred to as NHUMC—at 3002 W. Bloomington Road is available for use by both members and non-members for certain pre-approved not-for-profit functions. Requests for use of the facility should be received at least 60 days prior to the intended day of use. Requests must be reviewed by the Lead Pastor, Church Administrator and the staff team prior to approval. Events in non-agreement with the mission, vision and values of NHUMC will not be approved. All non-church related events are subject to cancellation should a conflict arise with a church-related event.

### Liability

- All church related event liability is covered by the church insurance policy. (A wedding is considered church related)
- Non-church-related events will require proof of insurance for use of the facility.
- Non-church-related events will be required to demonstrate proof of insurance within 10 working days of being notified that the event has been approved. This includes both medical and property loss insurance. (This type of coverage is often provided under homeowners insurance policies or can often be purchased on short notice from many insurance companies for individual events).
- Insurance coverage must be provided through the person's individual or family policy, or organization's policy, for all injuries resulting from physical activities or sports.
- NHUMC—or representative of NHUMC—accepts no responsibility for personal injury during non-church-related events.
- NHUMC—or representative of NHUMC—accepts no responsibility for personal property loss.

A paid wedding coordinator must be present during all wedding events and should be the primary contact person before, during and after the wedding. We have a list of wedding coordinators available. The fee is \$25 per hour.
