Today's Message "God is For Us"

How to walk with God. We must come to grips with an essential truth if we're to be fruitful in our God-walk. Jesus came to let us know: *God is not our enemy.*

Scripture Passage. John 10:10

1. Who is the "thief" Jesus speak of, and what's one of his chief strategies in our lives? (John 10:10)
2. What was the first recorded lie of the wicked one in the Scriptures, and perhaps his greatest? (Genesis 3:1-5)
3. What has been the fallout of the wicked one's initial lie, and how does it continue to affect us? (Genesis 3:8)
4. How did Jesus' ministry address the initial and ongoing lie of the wicked one? (John 14:6)
5. How does the truth about God affect our lives? (John 8:31-32)
6. What does the truth of God teach us about our relationship with God? (John 3:16-18, Joshua 5:13-14)
7. What is the opposite of enemy? (1 John 2:1-2)

REFLECTIONS:

- **In what ways has the wicked one's big lie affected your view of God?** What has shaped your view of God?
- **God is certainly on our side.** In what aspects of your life are on God's side. In what aspects of your life might you be living outside of God's will?

WHAT NOW?

- **Let's begin believing truth.** It's the Scriptures that correct the wicked one's lies about God. What will be your Daily Bible Reading Plan for 2021? We invite you to join NH in *Reading the Gospel in 90 Days*.
- **Let's walk with Jesus.** If you've not trusted Christ, we encourage you to do so today. A great way to sustain our walk with God is a consistent, personal prayer life. We invite you to use the "prayer prompts" from NH's *90 Days of Prayer & Fasting* as a starting point.
