You're invited to Alpha

Alpha is a free course for you and your friends to explore life and the Christian faith.

Over six sessions, we are going to watch engaging short films and have good conversations over food on the big questions of life:

- **Is there more to life?**
- **Who is Jesus?**
- **Why did Jesus die?**
- **How can I have faith?**
- **Why and how do I pray?**
- **Why and how do I read the Bible?**

**No matter your background or beliefs,
everyone's welcome to come try Alpha.**
