St. Paul's provides a loving, supportive learning atmosphere that allows children to experience success and develop a positive self-concept as they learn through experiences, play and enrichment. The goal is to nurture the spiritual, emotional, social, intellectual and physical growth of all children. Each child is a gift from God and we are blessed to be a part of their learning journey. Listed below are the dates of registration and the programs we offer. September 1st is the guideline for minimum age requirements for ages 2 years and up. The registration fee is a one-time fee paid prior to each school year. Teacher requests are considered on a limited basis. Monthly tuition for the school year begins in August and ends in May.
