Welcome to St. Paul's | Brenham

Good Morning and Welcome!

Church can be an intimidating place to visit -- especially if you don't know what to expect. Look around, check out our ministries, watch a message, sign up for a class, or jump in and serve this town with us. We are glad you are here. We hope that through visiting with us, you will experience the hope, love, and joy that comes from connecting with a community of people who love God and love people.

Visiting ?

Yay! We love meeting new people!
